PARENTAL CONSENT

The parent or guardian agrees to indemnify and hold harmless Louisburg College, its trustees, faculty, staff, employees, volunteers, and agents from any legal action for damages to persons or property sustained upon the premises or upon the walks, streets or grounds of the College.

Should an injury or illness occur during a camp session, every attempt will be made to contact the camper’s parent or guardian. When prompt emergency procedures are indicated, and the parent or guardian cannot be located, Louisburg College personnel will act in the best interest of the child.

Understanding that all attempts will be made to contact me in an emergency situation and having provided all necessary emergency information requested on the registration form, I give my permission for Louisburg College personnel to act in the best interest of my child when prompt and immediate medical procedures are indicated.

Parent/Guardian Signature

Date

I give permission for Louisburg College to use my child’s name and/or photograph in future Science and Math Camp advertising or funding proposals including but not limited to brochures, news releases, magazines, grants and any other advertising media or funding sources accepted by Louisburg College.

DATES and FEES

INVESTIGATOR — Rising 2nd & 3rd
July 7—11, 2008

SCHOLAR — Rising 4th, 5th & 6th
July 14—18, 2008

RESEARCHER — Rising 7th, 8th & 9th
July 21—25, 2008

All camps meet Monday through Friday, from 8:30 a.m. to 4:00 p.m.

The fee for each camp is $190.00. The discounted fee for each camp is $165.00 if paid in full by July 1, 2008. A nonrefundable deposit of $80.00 is due with your application.

Space is limited and students will be registered in the order that full payments are received. Louisburg College reserves the right to cancel any session due to insufficient enrollment.

INVESTIGATOR
July 7—11
Rising 2nd & 3rd Graders

SCHOLAR
July 14—18
Rising 4th, 5th & 6th Graders

RESEARCHER
July 21—25
Rising 7th, 8th & 9th Graders

All camps will be taught by Louisburg College faculty and held on the campus of historic Louisburg College.
**CAMP FACTS**

**Purpose**
All camps are designed to provide a laboratory/field supplement to the camper’s science or math education. Camp curriculum changes each year; returning students will encounter new experiences.

**Staff**
The staff consists of professors in the Louisburg College Math and Science Division. Assistance will be provided by selected college students from the science program or other educators.

**Age Groups**
The camps are open to any student who will be entering the ninth grade or above in the fall of 2008.

**Camp Sizes**
To maximize camper-instructor interaction and to ensure the safety of each camper, a maximum of 24 campers will be accepted for each session.

**Facilities**
Campers work in the same laboratories and use the same equipment as Louisburg College students.

**Meals**
Science and Math Camp will provide drinks to campers at lunch time and for two snacks. Campers should bring their lunches and snacks in clearly-marked bags or coolers.

**Safety**
All labs are equipped with appropriate safety equipment. Each camper will be supplied with safety equipment as needed. Safety rules require closed-toe shoes. Sunblock and insect repellent are strongly recommended.

---

**CAMP DESCRIPTIONS**

**Marvelous Monsters**
Are you a dinosaur fan, a caveman wanna-be or an amateur paleontologist? Would you like to hunt for fossils, measure a mastodon’s tusk, or see just how hard T. rex could bite? Join us this summer to investigate Marvelous Monsters, past and present. In addition to dinosaur-based activities, we’ll find out how cave dwellers lived by learning about animal tracks, dying fabric with natural dyes, and trying our hands at making flint arrowheads!

---

**THE INVESTIGATOR CAMP**
Rising 2nd & 3rd graders will be introduced to basic concepts of physical and biological science.

**THE SCHOLAR CAMP**
Students entering 4th, 5th & 6th grade will focus on the scientific method and analytical reasoning in the physical and biological sciences.

**THE RESEARCHER CAMP**
Middle schoolers entering 7th, 8th and 9th grade will participate in a week-long course in the fundamentals of a particular subject, stressing critical thinking, and laboratory skills.
