

Young Alumni

If you have graduated from Louisburg College in the last decade, then you are “YOUNG ALUMNI.” We have formed an organization strictly for you, whether you are entering the workforce, still in school, or settling into your home and family life.

Remember to keep Louisburg in the loop! Did you recently finish a degree, buy a house, get married, have children? If you did, let us know by emailing amcmanus@louisburg.edu. Send us a class note, update your address, and share photos with us... because after all, you are our family!

Connect with your Louisburg Alumni. You can achieve this by visiting campus, attending alumni gatherings, reading the College magazine, and attending the alumni reunion weekend. The opportunities are endless.

How can you help promote Louisburg?

- Help to recruit students and tell the Louisburg story!
- Offer an internship to a Louisburg College student!
- Become a mentor to a freshman who has arrived on campus!
- Give back! Any size gift matters.
- Purchase A Louisburg College license plate for your car!

In the coming months, the Office of Alumni will be looking for ways to engage our young alumni. It could be a Young Alumni Day, welcoming parties in your community for new graduates, new students... the ideas are endless. If you have a suggestion, please contact us at 919-497-3245, or by email at amcmanus@louisburg.edu.
