COLLEGE TO HOST BREAKFAST MEETING FOR COUNTY CHAMBER

Louisburg, NC — Louisburg College is pleased to announce it will host a breakfast meeting for members of the Franklin County Chamber of Commerce on the morning of Tuesday, April 12, 2011 from 8:30 – 9:45 in the Alumni Room of the Duke Dining Center.

During the buffet-style breakfast, two current Louisburg students will talk briefly about their experiences at the College, followed by "State of the College" remarks by President Mark La Branche. Members of the College's faculty and staff will be attending the breakfast, so it will be a great opportunity to learn more about the College, our programs, and our students.

Related by faith to The United Methodist Church, Louisburg College is committed to offering a supportive community in which young men and women mature intellectually, culturally, socially, and spiritually. As a two-year residential institution, we provide a bridge for students to make a successful transition from high school to senior colleges and universities.
