LOUISBURG COLLEGE PLANS A CLEAN SWEEP OF THE COMMUNITY

Louisburg, NC — Louisburg College will welcome one of its largest incoming classes in the College's history this fall. New students, along with members of the faculty and staff, will participate in a "Clean Sweep" project on Monday, August 16th beginning at 8:00 am. As part of their orientation, new students participate in *Crossroads* – a first-year experience course that introduces them to various aspects of college life and encourages service to the community. During this year's "Clean Sweep," teams of volunteers will be stationed at various locations in Louisburg, cleaning up trash and debris.

"This is to introduce the students to the fact that this is their community – one that they not only serve, but need to preserve," says College President Mark La Branche.

For more information, please contact Jason Modlin, vice president for student life, at 919.497.3210.

Related by faith to The United Methodist Church, Louisburg College is committed to offering a supportive community in which young men and women mature intellectually, culturally, socially, and spiritually. As a two-year residential institution, we provide a bridge for students to make a successful transition from high school to senior colleges and universities.
