LOUISBURG COLLEGE MAKES A “CLEAN SWEEP” OF THE COMMUNITY

Louisburg, NC — Students from the 2010-2011 Louisburg College freshman class, along with members of the faculty and staff, participated in a “Clean Sweep” project this morning from 8:00 – 11:00am.

As part of their orientation, new students participate in *Crossroads* – a first-year experience course that introduces them to various aspects of college life and encourages service to the community. During this year’s “Clean Sweep,” teams of volunteers were stationed at various locations in Louisburg, cleaning up trash and debris.

“This is to introduce the students to the fact that this is their community – one that they not only serve, but need to preserve,” says College President Mark La Branche.

For additional information, please contact Jason Modlin, vice president for student life, at 919.497.3210.

Related by faith to The United Methodist Church, Louisburg College is committed to offering a supportive community in which young men and women mature intellectually, culturally, socially, and spiritually. As a two-year residential institution, we provide a bridge for students to make a successful transition from high school to senior colleges and universities.
