

# Learning Partners Program

## What is Learning Partners?

Learning Partners is a fee-based academic coaching program that provides the foundation of success for students with documented learning differences.

## Program Benefits

- Learn to self-advocate
- Attend interactive academic coaching sessions
- Develop individualized learning skills
- Gain opportunities for social engagement and personal development
- Utilize learning labs with assistive technology
- Receive assistance in transitioning to the college or career of your choice
- Creates opportunities for collaboration

# Parent Testimonies

“I firmly believe that our Learning Partners Program is a game changer. It allows students to work with a mentor and advocate who understands the struggles of students with learning differences.”

Charles Knight '87  
Louisburg College Trustee

---

“Learning Partners provided the structure and guidance to assist my son to form study habits that adapted to his learning style, not the other way around. This program was the perfect blend of adaptability and advice my son needed to help him become the successful student he is today.”

Sharon Bryson  
Louisburg College Trustee
